Social skills and competences Good ability to adapt to new cultural environments due to 6.5 years of work abroad

Organisational skills and competences I had leadership training in the Swedish military (conscription), but that wasn't really my cup of tea. I have managed moderate project budgets professionally (up to 300kEuro) and supervised up to three persons.

Computer skills and competences Expert user of GAMS (general algebraic modeling system) acquired by 10 years of use. Advanced user of MS Word (e.g. managing templates, fields programming, Visual Basic programming, autocorrection lists) and of Excel. Independent user of MS Access. Basic skills in some econometric software packages as EViews, Gauss, R. Basic skills in some object oriented programming languages (Delphi, Java) thanks to me developing an economic education software package in Delphi in 1998-1999. Basic skills in data base management software (MS Access, SQL). I took a 5 week summer course in system engineering in the mid 1990's.

Artistic skills and competences Beginning pianist
