## PUBLICATIONS & MORE

## FAIRTRADE IMPACT MAP

Fairtrade International has launched a newly updated and enhanced digital [mapping platform](#). Designed to serve as a multifaceted tool for advocacy, communication, and collaboration with commercial partners, as well as for internal learning within Fairtrade, the Impact Map signifies a significant advancement in promoting transparency and openness regarding the organization's accomplishments and hurdles.

This freely accessible and interactive map, known as the Impact Map, hosts over 100 Fairtrade projects and commissioned studies worldwide. It offers comprehensive details on all time-limited, impact-focused Fairtrade initiatives, providing valuable insights into the organization's global engagements.
