INFORMATION ABOUT THE SUMMER SEMESTER

Attached below you can find the draft schedule of the Summer Semester 2024. Late changes can always happen, so keep in mind that all official information will be available in BASIS.

You could also see the information about the deadlines to register for the courses and the examination office.

- First period of registration of courses March 4th - March 15th
- Second period of registration of the courses March 25th - April 4th
- Third period of registration TBD*

Please remind, that the valid enrolment for the courses in Basis is through My Functions -> Registration of Lectures. Saving the courses in the schedule will not be enough.

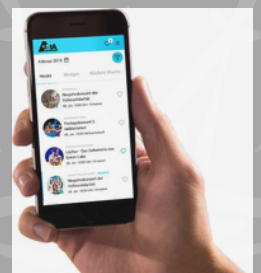

Last day to send the application to the examination office is April 8th.

Students who started in the winter semester don't have to send the application again, only have to register for the exams like last time.
