HELP ME WITH MY THESIS SURVEY!

Dear all,

As part of my master's thesis in consumer research, I'm conducting a short survey.

If you eat meat—whether regularly or occasionally—and ideally hold German nationality, I would greatly value your input. (Non-German participants are very welcome too.) 😊

Please take a quick 10-minute anonymous survey about buying minced meat. The questionnaire is in German, but anyone comfortable reading it can participate.

As a thank-you, I'll give away a few gift cards among all participants.

Thanks for supporting my research!

-Lorea
