PUBLICATIONS & MORE

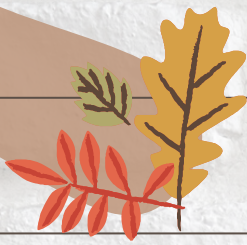

The enaCom Transfer Center is inviting applications for prototyping grants that will allow innovative research findings to be developed for marketing further down the line. It is open to all research associates or assistants at the University, including the Faculty of Medicine. The invitation is intended particularly for postdoctoral researchers, doctoral students or advanced students of any subject who already have ideas for turning their research into a start-up or spin-off company. More info [HERE](#)

- Up to €50,000 in Funding from Prototyping Grants – Next Deadline for Applications October 15, 2022

RECENT PUBLICATIONS:

- If you have new publications, please do not hesitate to communicate them to the Newsletter editors and we will post the new ones every month
