PUBLICATIONS & MORE

The "[FairActivists](#)" program offers young people between the ages of 18 and 27 the opportunity to actively campaign for a sustainable future and fair trade.

Whether students, schoolchildren, employees, trainees or the self-employed - everyone is united by the desire to work towards a sustainable future and fair world trade. The commitment runs for one calendar year, starting in January, with the option to stay longer, up to a maximum of 28 years of age.

During this time, the FairActivists implement their own ideas and projects and actively participate in the campaigning and advocacy work of Fairtrade Deutschland e.V.

Would you also like to be a FairActivist? You can apply for the year 2023 using our [online form](#) until **November 17th**. Much luck!
