

We are looking for one

**Student assistant (4h/week)
for the module
“Extended methods of Market Research”
From October until February 2023**

at the chair of Agricultural and Food Market Research
(Prof. Dr. Monika Hartmann)

For the course “Extended Methods of Market Research” we are looking for a motivated student assistant that will support us in winter term 2022/23. The course is taught by Janine Macht, Milan Tatic and Ursula Ploll. We welcome applications from master students with a background in agricultural economics and quantitative methods.

What we expect:

- Good command of English
- Good communication skills
- Attention to detail
- Experienced with Office (e.g. Word, PowerPoint) or similar programs
- Possibility to switch between offline and online assistance
- Experience with R and R Studio

Your tasks and our offer:

- Support in Zoom sessions (breakout rooms, chat, quizzes) or in class
- Revising course material
- Wage rate according to University of Bonn standards

Please send your application (Letter of motivation, CV, relevant certificates) in one PDF not later than 31st of August to:

Mr. Ingo Birkle
