

Research Assistant (8 hours/week)

at the Coordination Office – AFECO & Planetary Health Master's Programs

The Institute for Food and Resource Economics (ILR) is seeking a Research Assistant (8 hours/week) to support the coordination of the two international Master's programs **Agricultural & Food Economics (AFECO)** and **Planetary Health (PH)**.

Start: July 2026

Duration: 1 year

What We Offer

- Experience in supporting the coordination of two international Master's programs
- A dynamic and intercultural working environment
- Flexible working hours compatible with your studies
- Opportunities to strengthen organizational, communication, and social media skills
- Insight into international academic program management

Your Tasks

- Act as study buddy for incoming AFECO and PH students, before and upon arrival
- Provide administrative support to the program coordinator of the two programs
- Assist with the organization of the AFECO Week, excursions, and PH welcome events
- Support communication with new AFECO and PH student cohorts
- Maintain and develop the programs' social media channels (e.g., LinkedIn)

Your Profile

- Experience in event planning or organization
- Good knowledge of social media and content management
- Excellent written and spoken English (required)
- Good working knowledge of German
- Independent, proactive, reliable, and responsible working style

Eligibility: Applicants must be enrolled in a Master's program at the University of Bonn.

How to Apply

Please send your application (motivation letter and CV) to afeco@uni-bonn.de, subject line: **"AFECO – PH RA position"**. Applications will be reviewed on a rolling basis until the position is filled.

More information: AFECO – www.afeco.uni-bonn.de;
Planetary Health – www.planetary-health.uni-bonn.de
